

Emergency Community Support Fund: Acknowledgement guidelines for Grantees

Grant recipients are required to recognize the Emergency Community Support Fund and acknowledge support from the Government of Canada and the Ottawa Community Foundation in their organization's communications, web or social media content, public project materials, media outreach, events and verbal remarks about the project.

The standard acknowledgment for grantees is as follows:

The [name of project or organization] is supported by the Government of Canada's Emergency Community Support Fund and the Ottawa Community Foundation.

Additional acknowledgment information:

- If grantees publish content about their COVID-19 response which is funded by the ECSF on their website, include the standard recognition text above on any page where the Fund is referenced.
- If possible, recognize the support and collaboration on social media. Grant recipients are encouraged to acknowledge support from the Government of Canada and the Ottawa Community Foundation via social media channels.
 - When posting to social media, please **tag** the following accounts:
@OttCommFdn @CommFdnsCanada @ESDC_GC
 - Use the following **hashtag** whenever possible: **#ECSFund**
- Follow our [general guidelines](#) for acknowledging grants from the Ottawa Community Foundation. Our logo is also available there for download.
